To: Directors of TOC Qualifier Tournaments who are NOT using Track Wrestling  
From: Rod Hedlund, TOC Director  
Re: Submitting Results from your tourney for TOC Seeding

**INSTRUCTIONS:**

Tournament Directors who are NOT using Track Wrestling should submit their qualifying place winners ASAP after their tournament ends but no later than Monday, Feb 27th. We prefer that you submit them as an attachment in one of the following formats: MS Word or Excel, PDF, or Google Doc or Sheet; however, if you prefer, you may send your results as a separate email to [norcaltoc@gmail.com](mailto:norcaltoc@gmail.com)

Your results will be forwarded to the TOC Seeding Committee. If you have already submitted your results, you do not need to resubmit them.

For each weight class, please include the following:

- 1) The number of wrestlers in the weight, which determines the number of qualifiers\* (see note below). Note: the minimum weight class for qualifying is 70 lbs.
- 2) List the NAME & TEAM for each qualifying wrestler

Example:

**70 lbs - 15 Wrestlers**

**1st - John Doe, Mountain Middle Sch (MS)**

**2nd - Sam Whip, Wildcat Wrestling Club**

**3rd - Fran Smith, York Elem**

**4th - Jay Bishop, Gold Stars**

\*As a reminder, the number of wrestlers in each weight class determines the number who qualify: 1-3 wrestlers = no qualifier; 4 wrestlers = 1 qualifier; 5-7 wrestlers = 2 qualifiers; 8-12 wrestlers = 3 qualifiers; 13-18 wrestlers = 4 qualifiers; 19-30 wrestlers = 5 qualifiers; 30+ wrestlers = 6 qualifiers.

- Exception 1: Heaviest wt at qualifying tournaments: 1-2 wrestlers = 1 qualifier; 3-4 wrestlers = 2 qualifiers; 5-6 wrestlers = 3 qualifiers; 7-11 wrestlers = 4 qualifiers; 12+ wrestlers = 5 qualifiers
- Exception 2: Santa Clara County and CVYWA Masters qualify 4 wrestlers per weight class.

Thanks,  
Rod
